

**LEICESTERSHIRE COUNTY COUNCIL**

**DISTRICT OF MELTON**

**A607 MELTON ROAD, WALTHAM ON THE WOLDS**

**STATEMENT OF REASONS**

With growing concerns of speeding in the village, especially within the 20mph section of the village, as part of the Section 106 agreement for the Watchorn development, the proposal is to revoke the existing 20mph speed limit, thus reverting to the restricted road status (30mph).

**An enhanced advisory 20mph speed limit (with flashing signs) will be introduced in the vicinity of the school whilst other measures such as mobile vehicular activated signs will be introduced throughout the village.**
