

### 20263B – Outside Light Investigation

We believe the outside lights to corner could be fed from the Transept Light fused spur - if the cables are still ok then a lamp change should have it on when switched. Assuming this to be the case to install an independent Switched fuse spur adjacent to the Existing Transept switch

Standard lamp	£	15.00
Labour to investigate	£	45.00
Metal Clad Switched fuse spur	£	8.00
Materials	£	7.00
Best case if working Labour	£	67.50
Test / Cert	£	10.00

We believe the outside lights to front above main door could be fed from the Nave far and spur called outside lights - if the cables are still ok then a lamp change should have it on when switched. Assuming this to be the case to install an independent Switched fuse spur adjacent to the Existing Nave switch

Standard lamp	£	15.00
Labour to investigate	£	40.00
Metal Clad Switched fuse spur	£	8.00
Materials	£	7.00
Best case if working Labour	£	67.50
Test / Cert	£	10.00

We could replace the coach light but understand this would require further approvals from the diocese.

<b>Sub Total</b>	<b>300.00</b>
<b>VAT</b>	<b>60.00</b>
<b>Total</b>	<b>360.00</b>

Any additional work required would be carried out at a rate of £40.00 + VAT per hour, with materials being at cost plus 25% and would be subject to your approval prior to the works being carried out, additional work carried out payable on day of completion.

(5% Terms apply 14 days from date of completion invoice).

We endeavour to provide a professional and cost-effective solution and we hope the above is satisfactory, however if the specification or costs do not meet with your expectations, please do not hesitate to contact us about them.

Yours sincerely

Paul Gartshore
