and James Beverley, MBC

1. Meeting aims

- Review the responses to the Reg. 14 consultation and agree the actions required.
- Plan required actions to finalise the Submission version of the Plan.

2. Review of the Reg 14 responses

- Prior to the meeting, ML had tabulated the consultation comments (53 pages in all!) for both statutory consultees and parishioners.
- GK had proposed responses and amendments and these were considered by the Group, revised where appropriate and unanimously agreed.
- It was also agreed that we delay finalisation of the submission version of the NP until after 4 July. On that date, MBC's Full Council meets to agree the direction for the Local Plan.

3. Next steps

- Revise the responses/amendments in line with our agreements and ready for inclusion in our submission as far as possible. **Action GK**
- Arrange meeting with Jim Worley and James Beverley as soon as possible after 4 July. The main discussion headings are housing numbers (per settlement or across the Parish?) and Limits to Development, Local Green Spaces, Lifetime Homes Standards, SEA and Melton eastern relief road. **Action ML**
- Complete a Consultation Statement. **Action ML. GK to supply template.**
- Amend the NP as far as possible before the above meeting, then finalise afterwards. **Action ML**
- Arrange for formal approval by the Parish Council before submission to MBC. **Action ML, POC, MM**
